## SPECIAL CLUB RAFFLE

Dave Schweitzer of D-way Tools has donated a bowl gouge with handle to the club. We will be holding a raffle for this tool. The cost is \$2 a ticket or 3 tickets for \$5. The drawing will be at the September Member Meeting.

## 4<sup>th</sup> Annual Port Gamble Forest Festival Saturday 25 September

The club has been invited to demonstrate Woodturning at the 4<sup>th</sup> Annual Port Gamble Forest Festival. We are looking for 8-12

Turners to demonstrate and answer questions at the OPCA AW Both. This is a chance for you to sell your turnings and to show the public about turning. Contact any Board member at the next meeting if you are interested in helping out at the both.

## Call for WEBSITES

I know that we all have websites that we use for turning ideas. If you have a good site or list of sites please send them to me([Larry.hamon@gmail.com](mailto:Larry.hamon@gmail.com)). I am trying to update the Club Webpage and would like to have a great link page to assist members in finding turning information. All I ask is that the website be about Woodturning. They can have good information or can be selling woodturning Supplies.

# MENTORING PROGRAM

We are looking for some new mentors. The folks who are currently doing the great service have been doing it for a long time. George Kromka has stepped up to the plate but based on what I see every month at the show and tell table there could be a lot more. See any of the board officers if you are interested.

The mentoring programs has been set up to answer questions and give help to new members and those whom may be having a problem in a specific area. Although not intended to be free lessons in woodturning (many of those volunteering are professional turners and derive their income from turning and teaching), these are some friendly folks willing to give you a point in the right direction.
