This month's Demo

Christmas ornaments with Tones Briggs

I having been turning and "learning" since 1998. I have had the good fortune to be able to attend many symposiums and have enjoyed participating in many classes with some of today's finest and most notable turners.

I also have the privilege to enjoy a weekly session with my good friend and world class turner-David S. and am hopeful that he too, gains as much as I do from our time together.

Each year at this time I enjoy turning Christmas ornaments to share with family and friends.

I hope these gifts will pass from generation to generation with thoughts and remembrances of time spent together.

I will share with you the process, approaches and tools I use that will hopefully make your journey into ornaments as meaningful and satisfying as it is for me.

FEBRUARY 2009

MEETING DATE

28 Oct 7:00 pm, Kitsap
Adventist School 5088 NW
Taylor Rd. Bremerton, WA
With Social, Library, Show and
Tell Tables and wood auction
viewing before

Recall that during the Holidays we don't meet on our regular days: This means that both the November and December meetings end up on other days: Right now it looks like the November meeting will be Wednesday Nov 18th.

We also are planning having a special all day wood auction and turning event on Sunday Dec 13th, to help make up for the lost July meeting

Ralph Lindberg

Message from the President

The 28th is our regular monthly meeting and nominations for Officers of the Board of Directors are due. Vern West and Eric Fehrmann have stepped forward and indicated a desire to run. Vern for the Secretaries position and Eric for Sergeant at Arms. There will be a formal announcement requesting any other candidates who are interested in running for these two positions, or any other position on the Board of Directors, after which a vote will be taken.

Tony De Carlo our Sergeant at Arms has decided to leave his position due to other pressing responsibilities. He has done an extremely good job in a very difficult position. He has been responsible for bringing in the snacks for each meeting, maintaining order, putting on the great Picnics complete with his version of golf and terrific food as well as assisting in the gathering of gifts for the Christmas Party and working with Cindy to make it the great success that it has been.

Also leaving is Dennis Bringham. His teaching position has been taking more and more of his time as has an extensive remodeling project that he is handling for a neighbor. There just aren't enough hours in the day.

This month the demonstrator will be Tones Briggs another accomplished turner with-in our club.

Doug Henderson

SPECIAL EVENTS!!

Remember to mark your calendars for the Olympic Wood Turner's Holiday Party on December 9th at 6:00pm. I will be taking a hand count of members and family attending so we can start planning for an appropriate amount of accompaniments. We'll be asking that members with the last name starting with A - L, please bring hors d'oeuvres or your favorite potluck dishes. Members with last name starting with M - Z, please bring deserts.

For members who have items to donate for the December party's drawing, I will be accepting them at the October and November OPCA AW club meetings. Also, if you still have gift certificates lying around that you think you'd like to add to the kitty – that'd be great. Thank you in advance for your generosity and support.

Looking ahead, if you would like to assist with the planning and assignments for the party, please show up at 6:15 at the November 18th meeting - we'll go over my checklist. Anyone wishing to help with setup the night of the party please arrive about 5:00pm. We can use all the help we can get.

Cindy Allen

FOR SALE:

WOODWORKING TOOLS-MAKE AN OFFER, TAKE IT HOME, PICK UP IN PORT ANGELES.

- 1-6 gallon "Porter Cable" Air compressor

MENTORING PROGRAM

We are looking for some new mentors. The folks who are currently doing the great service have been doing it for a long time. George Kromka has stepped up to the plate but based on what I see every month at the show and tell table there could be a lot more. See any of the board officers if you are interested.

The mentoring programs has been set up to answer questions and give help to new members and those whom may be having a problem in a specific area. Although not intended to be free lessons in woodturning (many of those volunteering are professional turners and derive their income from turning and teaching), these are some friendly folks willing to give you a point in the right direction.
