## January Demonstrator

Yes, I volunteered for January's demonstration on short notice. I am Bob Hickernell, sometimes referred to as "Hinkey" most often by Dave Schweitzer. You may know me by my presence at the wood auction table. George Kromka and I conduct the auction (I collect the money and I am more handsome than George). I've been turning now for about 15 years, part of the Old Guard... I joined the Chapter at the same time as Dave S and Tones Briggs did, Fall of 1998. The person who has been a member the longest is Dan Ackerman, a celebrity in his own right. At one time he was on the National AAW Board of Directors.

I have my Art in Three Art Galleries, have two Artist Statements depending on the situation and one C.V., I don't do craft fairs and turn what I like to turn. I don't consider it a hobby and it isn't my only source of income. Very few woodturners can say that woodturning is their only source of income.

I won't be doing any woodturning, but will be showing you different items and their use at the lathe. If you want a heads-up, go online to [www.rubberchucky.com](http://www.rubberchucky.com). See you there.

## MENTORING PROGRAM

We are looking for some new mentors. The folks who are currently doing the great service have been doing it for a long time. See any of the board officers if you are interested. The mentoring programs has been set up to answer questions and give help to new members and those whom may be having a problem in a specific area. Although not intended to be free lessons in woodturning (many of those volunteering are professional turners and derive their income from turning and teaching), these are some friendly folks willing to give you a point in the right direction.
