OCTOBER MEETING SCOTT OVERBY WILL BE DEMONSTRATING

Scott Overby was born in Duluth, Minnesota in 1963. I showed an early aptitude for engineering and, after finishing high school, joined the US Navy as a Nuclear Electronics Technician. Retiring from the Navy after 20 years in 2002, I embarked on a new career as a Certified Energy Manager. And no, I do not glow in the dark. ☺

Wood working has been a part time hobby for many years. My interest turned to woodturning in 2005. Soon thereafter, I joined OPCA AW. I mainly make bowls, boxes, pens and earring stands. My bowls are made mostly with native northwest woods: Pacific Yew, Madrone Burl, and Maple Burl. Whereas in many smaller turnings I work with exotic woods: Ebony, Amboyna Burl, Tulip Wood, Chechen Burl, etc. I like experimenting and adding different woodworking aspects to my work. Among those I try to find ways to incorporate the use of my Revo Ornamental Mill and Carve Wright CNC machine.

OCTOBER MEETING

31 OCT 6:30 pm,
Kitsap Adventist School
5088 NW Taylor Rd.
Bremerton, WA

With Social, Library, Show
and Tell Tables and wood
auction viewing before

MENTORING PROGRAM

We are looking for some new mentors. The folks who are currently doing the great service have been doing it for a long time. See any of the board officers if you are interested. The mentoring programs has been set up to answer questions and give help to new members and those whom may be having a problem in a specific area. Although not intended to be free lessons in woodturning (many of those volunteering are professional turners and derive their income from turning and teaching), these are some friendly folks willing to give you a point in the right direction.
